Course Books/Literature

Network+ (ATRRS 921-629)

The **CompTIA Network+ Study Guide: Exam N10-004**, ISBN: 9780470427477, will be assigned to you upon your arrival for use during the course. This book is also available on [Books24/7](#). You will be responsible for reading/reviewing about 5-chapters each evening.

NMSC (ATRRS 921-630)

Our customized IA SIGCEN course materials will be provided to you upon your arrival.

Security+ (ATRRS 921-631)

Our customized IA SIGCEN Security+ course book will be provided to you upon your arrival.

CISSP (ATRRS 921-632)

The **Certified Information Systems Security Professional Study Guide (Stewart, Tittlel and Chapple) 4th Edition**, ISBN: 9780470276884, will be assigned to you upon your arrival for use during the course. This book is also available on [Books24/7](#). You may wish to purchase your own copy of this book prior to attending if you prefer to annotate, highlight, and mark up the text. It is **imperative** that you spend sufficient time reading and reviewing the literature prior to attending the course. The CISSP exam is very challenging and covers a wide area of information security topics. Quick study guides and cram sheets will **not** be sufficient to prepare you for this test. Your instructors highly encourage you to spend as much time as possible preparing for this exam.

CNDC (ATRRS 921-640)

A few weeks prior to the start of your CNDC class a copy of **Computer Network Defense, A Complimentary Guide for Malware Analysis, Intrusion Detection and Incident Identification Methodologies** will be e-mailed to you as a PDF.

Course Prerequisites

If you have not completed the necessary prerequisites for your course, please do so ASAP. Prerequisite training can be time intensive and will greatly aid in the successful completion of your exam. Note: Prerequisites **must** be completed if you intend to qualify for a free voucher from the DoD.

Obtaining an Exam Voucher

You **must** have an exam voucher before you can take the Network+, Security+, and CISSP exams. We highly encourage you to coordinate and secure your voucher before traveling to Ft. McCoy. Coordinate one of the options (1 or 2) below to get your testing voucher.

➤ Option 1: “You Fund” Voucher Procedures

1. Check with your unit, they may have dollars set aside to fund your exam voucher.
2. The CISSP voucher must be purchased from an ISC2 affiliate. There is a [PDF form](#) on the ATCTS website to register for the exam AND pay for it. Plan on making this purchase at least 16 days out from your exam date to avoid extra charges.

- CISSP Early Registration (16 days prior to the exam date): \$499.00
- CISSP Standard Registration (received less than 16 days from exam date): \$599.00

You will be contacted by one of your CISSP instructors about 6-weeks out from the exam date. They will provide you with a **“Private Event Code”** which is necessary for registration.

- 2b. You may purchase a Network+ OR Security+ voucher directly from [Pearson VUE](#) prior to your arrival, or you may purchase your voucher here on the first day of class. The payment must be made with a credit card so ensure someone at your unit is available to support this request on the Monday you arrive in class.

NOTE: If you purchase an exam voucher with your own funds, you may be eligible for reimbursement under the GI Bill. Also, if you are a TPU soldier or Contractor, it is likely your employer may pay for some or all of your exam voucher.

➤ Option 2: “They Fund” DoD Voucher Procedures

**** NOT available to Contractors ****

1. Register on [ATCTS](#):
 - The system will assign a profile category of technical, management, and/or a specialty based on the IA duties you select in the questionnaire.
 - You will only receive a voucher associated with the DoD approved baseline certifications by your category level (i.e., IAMI, IATI, etc.).
2. Complete the [Skillport Course Prerequisites](#) for the exam you are preparing for.
3. Load appointment orders and/or privilege level agreements (if applicable)
 - Profile assignment(s) can then be verified by your ATCTS **manager**.
 - Users may also load their Acceptable Use Policy (AUP).
4. Complete Pre-assessment Test
 - Navigate to <http://currency.comptia.org/dod> (Ensure the computer is connected to a printer.)

Obtaining an Exam Voucher (continued)

- Enter: Name, .mil email address, Component, and Country
 - Enter: Organization's User ID and password provided by your IAM/IAPM or contact: NETCOMIAWIP@hqda.army.mil
5. Download and Complete the ATCTS [Voucher Request Form](#)
- Acquire Signatures
 - Part 3 is signed by your supervisor
 - Part 4 is signed by the requester
 - Part 5 is signed by your IAM/IAPM/Commander
 - Note: If your supervisor and Commander is the same person, then they can sign in Parts 3 and 5
 - Upload signed voucher to [ATCTS](#)
 - Ensure that your duty appointment orders and profile assignment are correct. Note: Vouchers are good for 30 days.
 - Within 24-48 hours you will receive your voucher
 - If not, contact: NETCOMIAWIP@conus.army.mil.

Network+/Security+ NOTICE!

Ensure you have completed the course prerequisites and obtained your Network+/Security+ voucher from NETCOM prior to arriving at class, unless you intend to pay (with your own funds) for your exam on the first day of class.

CISSP NOTICE!

Ensure you have completed the course prerequisites and obtained your CISSP voucher from NETCOM at least 16-days prior to your exam date. Regardless of whether you use a NETCOM voucher or pay with your own funds you must [register](#) for the exam a minimum of 16-days prior to the exam date.
